

Get this summer's **hottest bronze look!**

Step 1

Start with giving your skin a luminous glow by dusting our **Dusk Lunar Dust** over your brow, cheekbones and nose with Super Powder Brush.

For a more dramatic luminous effect, apply Lunar Dust over arms & décolleté, or mix with your favourite moisturizer and apply over your entire body.

Step 2

For daytime eyes, continue with sweeping **Dusk Lunar Dust** over the entire lid. Then blend **Cashmere** into crease and corner of the eye. Finish with **Moonstone** across the brow bone, blending down to the crease to soften any edges.

For a sultry night time eyes, wet a fine eye brush and line the upper and lower lid with **Cashmere Crushed Mineral Eyeshadow**.

Step 3

Finish your sunkissed look with luscious layers of **Embellished Lip Gloss**.

Step 4

Slip your **BONUS FREE** chic patent leather clutch purse into your handbag and you'll have this complete look right at your fingertips.

Only \$89.95
